Shandong Allsea Boats Co., Ltd is a government-supported enterprise that integrates R&D, production, sales and service to produce all kinds of high-quality aluminium boats. The company is located in QingDao and covers an area of 25,000m²including 20,000m²of standardized factory buildings, 2,000 m²of office buildings and a 3000 m²of aluminium boat exhibition hall. (At present It is the largest aluminum alloy boat exhibition hall in China.)

We have been focusing on the development and production of high-quality aluminum boats for the past few years. Our products are renowned for high quality and excellent services by our customers around the world.

Allsea is an enterprise focusing on R&D and innovation. We have a very professional R&D team. At present, the company has applied for more than 50 patents related to intelligent ships, and has obtained more than 40 authorized patents. It has carried out a lot of research work in ship design, ship intellectualization and other aspects, and carried out relevant experiments. Our latest product, intelligent unmanned ship, will soon be put into production.

By 2018, we have established four production bases, namely, LaiWu ,DongYing,WeiHai and QingDao production base. Our company's total output has reached 2000 boats per year. Qingdao's production base is our company's R&D center, mainly for the development of new products, as well as the production of high-end product series.

HIGH SAFETY UNSINKABLE

New model boat from Allsea Boat on the market now, Easycraft most suited for having a great time fishing with family and friends.

Featured with most safety, Easycraft get 2 buoyancy tubes on both sides which keeps her floating even unfortunate things happen.

The only thing to do is just play!
We'll take care of the rest.

Key Features:

1. Safety and Durable:

- The buoys on the sides of the boat hull
- Precision welding
- Strict Leakage Test
- Deep-V boat hull makes boat stable even on the rough water

2. Fishing Performance:

- More than 10 rod holders
- Big capacity live bait tank
- Heavy duty filleting board

3. Multi-function:

Used for Fishing, Explore, Family entertainment, Party time, Skiing, diving, Easycraft is a good choice for you whether in sea or a lake

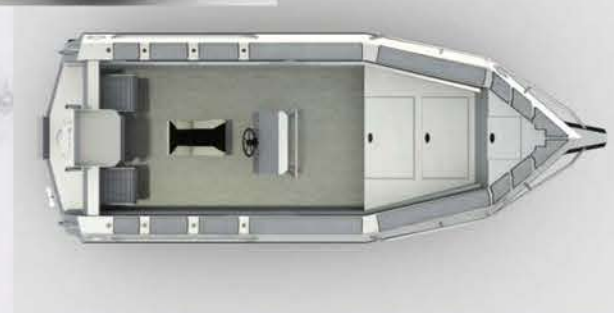

4. Customized options:

On the basis of standard products, we accept appropriate customization. Support interior upgrade, support reasonable layout adjustment. If you have any good ideas about the boat you want, let us know please and we will try our best to help you achieve it. In addition, we also undertake OEM business, if you have this need feel free to contact us

LIFE OF ADVENTURE

ALL THE SPECS AND FIGURES TO GET YOU OUT THERE

- Extremely strong and durable
- Stable at rest
- Safe on rough sea
- Fully-welded checker plate deck is easy to clean

Happy fishing time

The model is for weekend family boating or long fishing trips with your friends.

Cabin bunks offer a comfortable space for storage or shelter. It's a good relaxing place after funny playing.

EASYCRAFT

685 FULL CABIN WALKAROUND / 750 FULL CABIN

360° FISHING WALKAROUND

- Walkaround configuration was epic
- No boat disperses water off a roof better than a Seaking
- Four blokes working a fish all on the same side in a trailer boat is unheard of

**“WINNING THE MOST STABLE
AND SUCCESSFUL
EASYCRAFT
IS AN IMPRESSIVE FEAT.”**

- Matchy-matchy crew
- Killer cabin in this class
- Biggest fuel tank in class
 - Window hatch
 - Winning fit-out
 - High build quality

PROFISHER 625

When you are ready for amazing experiences and want to get more stability while offshore fishing, ballast tank boat will be a superior alternative to get started.

PROFISHER 685

There is plenty of deck space on board for the mates fishing or cruising the lake with the family, and offers a very comfortable 2.45m beam.

PROFISHER 750

PROFISHER 750 FULL CABIN

- As the boat comes to rest, the ballast tank fills and steadies the boat.
- The super smooth ride is the result of a very fine-entry hull, allowing you to cut effortlessly.
- Even in the toughest conditions you' ll be able to hold your course.
- Safety and high quality.

Floating tiny house on the pontoons

Life is anything but hurried aboard a houseboat, which is one for the reasons why they're so popular for vacation boat rentals. They're ideal for "coving," a laid-back adventure that consists of driving around a lake looking for a peaceful cove, anchoring up, and enjoying yourself for days at a time until you decide to pull anchor and find a new cove to hang out in.
